Subject: **Neapco - Moving Parts Notice (MPN) - October 2026**

To: **All Neapco Drivelines Aftermarket Group Customers**

Neapco is pleased to present our updated version of the Neapco Moving Parts Notice. These MPNs will be sent regularly and will provide updated information regarding any "movement" in part number status, such as New, Obsoleted/Discontinued, and Superseded.

The current MPN includes all changes by month since January 2026. If there were no changes in a month, we did not update and will not update the MPN for said month.

Some highlights in this month's MPN include: discontinued driveshaft wing bearing slip yoke and tubing and balance out parts for a last time buy from Neapco Fire Sale.

MPNs will be available for viewing on NeapcoParts.com under the Account page once you have logged into the site.
These MPNs share the following information:

- **Part Number** – clickable link to the product detail page on NeapcoParts.com for product image and other details.
- **Part Description**
- **Driveline Series**
- **Brand Designation** - ( Genuine Neapco,  Neapco OE Series,  Neapco Performance Series, etc)
- **Country of Origin**
- **UPC**
- **VMRS**
- **Standard Lead time**
- **Standard Pack Qty**
- **Bulletin #** – clickable link to the bulletin found on Neapcoparts.com for full announcement **(if applicable)**
- **Action designations (New, Discontinued/Obsolete, Superseded, Price Decrease, Balance Out)**
- **Superseded to information (if appropriate)**
- **Tabbed by month of the action**

We hope you will find these MPNs to be helpful/beneficial, and please remember NeapcoParts.com includes all the most current information about our products.

As always, we thank you for your continued support of genuine Neapco products. Please contact your respective Neapco Sales Representative for any additional questions you might have.
